Comment Phase on NIDCR Initiatives

NIDCR has come out with its Proposed Research Initiatives for 2019, which includes a PBRN initiative. They opened up a comment phase so members can describe the impact the Network has had on our professions. Drs. Sudhir Agarwal, Thomas Karr, Alan Law, Jason McCargar, Pamela McMahon, Midge Ray, Eric Schiffman, and Joseph Spoto submitted their comments. [Read more...](#)

Would Dental Faculty and New Graduates Choose Evidence-Based Approaches?

Studies have shown that many dentists aren't following evidence-based practices to guide their health care decisions. Researchers wanted to know if it was a failure of dental schools or of clinicians to stay up-to-date with the latest research. [Read more...](#)

October Network Member of the Month: Wilson Wright, Jr.

Being a part of the National Dental PBRN has given us great satisfaction. Since my retirement from the University of Alabama at Birmingham, School of Dentistry, it is such an invaluable asset to have the chance to complete extended research in a private practice setting. [Read more...](#)
